JOB POSTING (FULL-TIME)

CERTIFIED WELD INSPECTOR / NONDESTRUCTIVE TESTING (NDT) TECHNICIAN

GeoTek Engineering & Testing Services, Inc. is seeking to add a full-time Nondestructive Testing Technician. We have been in business for over 30 years and specialize in Geotechnical Engineering, Construction Materials Testing, and Environmental/Industrial Hygiene Consulting. For more information, visit our website at www.geotekeng.com.

Serious inquiry from applicants with a CWI, NDT Level II, Associates Degree and/or 2-3 years of experience in nondestructive testing.

Responsibilities

- Nondestructive testing of welds utilizing Visual (VT), Ultrasonic (UT), Magnetic Particle (MT) and Dye Penetrant (PT) methods.
- Performing quality control testing during construction of buildings and other structures in the field and laboratory.
- May include sampling and testing of soils, aggregate, concrete, asphalt, masonry and steel construction materials in accordance with project specifications and recognized standards.
- Reading and reviewing construction documents (plans & specifications).
- Communicating with clients and contractors on job sites.

Requirements

- AWS Certified Weld Inspector (CWI) and/or Level I/II NDT (PT/MT/UT) Certification
- Ability to work at elevated heights, regularly lift and/or move up to 35 pounds and occasionally lift and/or move up to 75 pounds.
- Ability to perform duties in outside weather conditions including extreme cold and heat/humidity.
- Strong math, verbal and writing skills.
- Current valid driver's license.
- Overnight travel may be required with position.
- Motivated and willing to learn and be challenged.

Benefits:

- Competitive hourly wage with opportunities for overtime.
- Full benefits include health, dental and disability insurance, A 401K plan with company match and Employee Stock Ownership Plan (ESOP).
